

Dear Parents/Carers,

As you will have seen in our newsletter last week, we have another 'Sports Activity Week' planned for next week (w/b 16th June). This ties in with the National School Sports Week and there will be more 'active' sessions during the week in addition to the usual PE lessons. We ask that as there will be an activity most days for most pupils that **the children come to school in their PE kit each day next week (or come in their uniform and wear trainers!)**

We are delighted to once again be supported in our plans by a range of sports coaches who will lead the different workshops and activities. The grid below explains what is happening for each year group.

[N.B. Outdoor activities are weather dependent. If they cannot go ahead due to wet weather some may have to be cancelled.]

*Our 'Sports Day' on the afternoon of **Monday 16th June** is something to which parents/carers of pupils in Reception to Year 6 are invited. As usual we plan to have skills and races for the children to take part in that afternoon on the school field. Pupils will be in rocket group teams and will spend time in the morning choosing their events and team captains!

As long as the weather is good and the field is safe/prepared then we aim to begin our Sports Day at 1.30pm on Monday 16th June. If the event is cancelled due to poor weather we will send a 'Parent Mail' text by 12.30pm and we will also update Seesaw/Tapestry and the school Facebook page. If you don't hear, then the event will go ahead! **Please note that if the event is cancelled, the children will complete alternative activities indoors instead which we will not have space for parents to attend. There is no time in the school diary to reschedule the outdoor event – sorry!**

Yours sincerely, Mrs Stafford (PE/Sports Coordinator)
