

Eastlea Year 6 COVID update

31/1/22

Dear Parents / Carers,

Thank you for your support with our request for DAILY LFD testing for all Year 6 pupils this week which was shared via Seesaw at the weekend. I wanted to let you know that **we now have TWO positive cases identified in the class.** The second one was found this morning following a lateral flow test and the person involved had no symptoms at all.

We ask for your continued vigilance. **Please make sure that your child has done a LFD test each morning BEFORE they come to school for each of the remaining days this week.** LFD tests can be ordered online usually for next day delivery, if you are running short of them.

Remember, if symptoms emerge, however mild, then a PCR test should still be sought.

If your child is unwell, or there is a positive case identified in your household, then we continue to recommend that you ring school to alert us and strongly consider keeping your child off school as a precaution to protect other pupils and staff in the class.

Thank you for your support and ongoing vigilance.

Miss E Beeston, Head Teacher
