

Eastlea Year 5 and Year 6 netball

Our Year 5 and Year 6 netballers extended an invitation to the team from Beaconhill to come and play some friendly matches on our court as part of their team practice on Mondays after school. Miss Marsden brought the Beaconhill team who do not have the luxury of the court which we have marked out on our playground.

Mrs Watson said that the friendly match was a big success – the teams played well and it was a good experience of playing against other children! Well done to all!
