

# Eastlea Year 3 COVID update

## 11/1/22

Dear Parents / Carers,

As outlined in our Covid protocols, **I wanted to let you know that this morning we have been advised that a child within the Year 3 class has had a POSITIVE Lateral Flow Test for Covid.** The only symptom shown was a headache, and the test was taken by the family as a precaution. We ask you to be vigilant and alert to any symptoms of illness whatsoever.

**National guidance now states that close contacts of COVID-19 cases including children aged 5+ should take an LFD test every day for seven days and, if negative, can continue to attend school as normal.** If symptoms emerge, however mild, then a PCR test should still be sought.

So we would ask that your child takes a Lateral Flow test before they come to school today and for the remaining days this week.

Apologies for the short notice, thank you for your support and ongoing vigilance.

Miss E Beeston, Head Teacher
