

Eastlea Nursery COVID update

29/11/21

Dear Parents / Carers,

As outlined in our Covid protocols, I wanted to let you know that we have been advised that there has been a confirmed case of COVID-19 within the Nursery class. All the appropriate testing procedures have been followed and we ask you to be vigilant and alert to any symptoms of illness whatsoever.

At the moment there is no required need for any further action and your child can continue to attend school but if you wish to do regular Lateral Flow tests then we would support this. If your child is unwell and you wish to seek a PCR test for them and keep them off school pending the outcome then we fully understand and this will not count against their attendance.

Thank you,

Miss E Beeston, Head Teacher
