

2014 NORTHUMBERLAND SCHOOL GAMES HAILED AS THE BIGGEST SPORTS DAY THE REGION HAS EVER SEEN

Over 1500 young people from schools across Northumberland competed for the honour of becoming county champions in 32 different events at the **NORTHUMBERLAND SAINSBURY'S SCHOOL GAMES**. Concordia Leisure Centre and the Sporting Club in Cramlington hosted two memorable days of competition, which captured the real spirit of the festival, where the young competitors demonstrated team work, determination and passion to succeed.

This year also saw the inclusion of the **NORTHUMBERLAND SCHOOL PARA GAMES** incorporating sports such as wheelchair basketball, fencing, swimming, boccia and cricket, as well as taster sessions for KS 2 pupils.

Special guests throughout the days included former Test Cricket hero **STEVE HARMISON MBE** who represented the Duchess of Northumberland as her Deputy Lord Lieutenant. Also on hand to inspire participants throughout both days were Team GB long jumper **CHRIS TOMLINSON**, cyclist **DAVID DANELL** and wheelchair fencer **CRAIG MCCANN**. Chris Tomlinson said: "I've really enjoyed watching all the

participants compete across a wide variety of sports from hockey and tennis to football and of course my sport athletics. I also thought that all the young volunteers did a great job, ensuring everything ran smoothly throughout".

As always the Northumberland School Games had a strong cultural component, with fantastic opening ceremonies each day, the unveiling of the 6 area flags and inspiring performances from school dance, music and singing groups

lining the route of the Parade of Athletes. The event featured in both local and regional news, a link to the **TYNETEES NEWS COVERAGE** can be found on our **FACE BOOK PAGE**.

CULTURAL CELEBRATION

Last school year a competition was held within each of the 6 Northumberland School Games areas to design a flag which represented both the identity of the area and included the School Games Values. The winning designs were made into large flags and unveiled at the Opening Ceremony of the Northumberland School Games. These flags, carried by specially selected flag bearers led out the area teams each day in the Parade of Athletes.

The Ashington & Coquet flag was designed and carried on day one, by Josh and Ellie from Pegswood First School. On day two, 2 Ashington High School students, Jessica and Emily were

chosen as flag bearers in recognition of the volunteering they had undertaken, and their commitment to the School Games with their plan to introduce the inclusive sport of goal ball next year.

Faye and Shania from St Benet Biscop RC High School led out the Blyth & Bedlington team, chosen as outstanding all round performers and leaders. The flag was designed by Ella from Croftway Primary who was also competing in the tri-golf competition

Tom's (Morpeth First School) design was chosen to represent the Morpeth & Ponteland area. He was joined by Luke (Newminster Middle) in carrying the flag on day one, and by Sam (Longhorsley First) and Tom (Chantry Middle) on day two. All three boys were selected because of their excellent sporting ability and superb sportsmanship.

Stephanie from Chollerton First School carried the Tynedale flag she had designed accompanied by Rory and Lauren, sports leaders from Haydon Bridge High School.

The flag for Cramlington & Seaton Valley was a combination of two winning designs created by Martha from Seaton Sluice First School and Rashika from Shanklea Primary. Pete (Eastlea Primary), Ellie and Brooke (Whytrig Middle) and Chloe from Seaton Sluice Middle School were given the honour of being flag bearers. These pupils all have a great passion for sport. They were chosen because of their determination, and positive and supportive attitudes in sport and in school.

Anna from Berwick Middle School designed the North Northumberland Flag and was joined by fellow pupil Alix along with Alfie and Matt from Tweedmouth West First School. Both of these schools had been awarded the prestigious Gold School Games Kitemark, recognising their enormous commitment to PE, sport and competition.

PARADE OF ATHLETES

As part of this year's

CULTURAL CELEBRATION,

after the fantastic performances in the Opening Ceremonies, competitors took part in the **PARADE OF ATHLETES** from Concordia to Sporting Club Cramlington. A guard of honour was created each day by the pupils competing at Concordia.

Along the way participants were entertained, inspired and reminded of the

SPRIT OF THE

danced, and played with great passion and enthusiasm. The Parade route passed by Hareside Primary School and we were delighted when each day pupils came out on to the field to cheer and wave their flags in support of the event. Special thanks go to all of the performers who enhanced our festival: Ashington High School, Bothal Middle School, Burnside Primary School, Eastlea Primary School, Hareside Primary School, New Hartley First School, Scremerston First School and Thropton Village School. If you have a group of pupils who would like to perform at the 2015 Northumberland School games please contact your **SCHOOL GAMES ORGANISER**.

SELFIE CHALLENGE

We challenged our **SPORTING CHAMPIONS**, Chris Tomlinson and David Daniell to take as many different "selfies" as they could during the School Games competitions. They were fantastic sports and got stuck in to snapping as many different poses with as many different people as they could. As well as providing some brilliant photos this also gave them the opportunity to **ENGAGE** with and **INSPIRE** hundreds of our participants and volunteers. A Cramlington & Seaton Valley Y4 athlete said "It was so cool meeting Chris Tomlinson, he gave me some tips on the standing long jump". A Tynedale gymnast said "We got to meet a real athlete and see his medals, then I was proud to show him mine too!". All of the selfies can be found on the **NORTHUMBERLAND SCHOOL GAMES FACEBOOK PAGE**. The picture to the right got the most likes and was declared the **WINNER!**

THE EDUCATION NETWORK

Education recruitment specialists, The Education Network generously sponsored the 2014 Northumberland School Games. Their donation funded the **729 MEDALS** that were presented at the School Games Finals as well all of the medals for the Level 3 stand alone events. Kevin Gill, Director of the Education Network said "I am delighted that we were able to offer our support to such a great event. Hats off to everyone involved in organising the two days, we really enjoyed it".

SAINSBURY'S SUPPORT

Sainsbury's is the national sponsor of the School Games. Here in Northumberland we were extremely lucky and grateful to have the support of the local **SAINSBURY'S** store in **CRAMLINGTON**. Their staff volunteered on the day before the Games and helped with everything from moving equipment, to hanging bunting and assembling goals. A team of staff then set up and manned a **REFRESHMENTS STAND** on both days providing free drinks, fruit and snacks to the hundreds of participants, volunteers and spectators. School Games volunteers were rewarded for their efforts with a packed lunch made up on Sainsbury's goodies. A huge **THANK YOU** goes to everyone involved.

STAND ALONE EVENTS

Four stand alone events were organised in the Autumn and Spring terms to accommodate sports which could not take place during the County Festivals, either because of the numbers of pupils involved and space needed or because winning pupils progressed onto regional and national rounds taking place before June.

SPORTSHALL ATHLETICS

310 young athletes competed in the 2014 Level 3 School Games indoor athletics final held at Sporting Club Cramlington. Pupils competed in a variety of events including sprint, distance and relay races, speed bounce, standing long and triple jump, javelin and medicine ball throws. Well done to **Newminster Middle School** who won the mixed U11 competition and the U13 Boys; **Chantry Middle School** who won both the U12 and U13 Girls' competitions and **James Calvert Spence College** for winning the U12 Boys' event.

Pupils from **Queen Elizabeth High School** dominated by winning the Y9, Y10 & Y11 Girls' competitions as well as the Y12 & 13 Boys' events.
