

# Eastlea Year 2 COVID update

## 16/11/21

Dear Parents / Carers,

As outlined in the return to school newsletter Covid protocols, I wanted to let you know that we have been advised that there has been a confirmed case of COVID-19 within the Y2 class. This does not seem to be linked in any way with the other cases from another class which we had at the weekend as **the individual has not been in school for nearly a week** and all the appropriate testing procedures have been followed. **At the moment there is no need for any further action and your child can continue to attend school.**

Remember, some recent positive cases have involved children with headaches, tiredness, sore throats or upset stomachs rather than the more usual 'Covid' symptoms. Please continue to be vigilant for any signs of illness and if your child feels at all unwell it would be advised to seek a PCR test for them and keep them off school pending the outcome.

Thank you,

Miss E Beeston, Head Teacher
