

Oh I do like to be beside the seaside Project Work

Make a model of the beach and add labels.	Carry out some research about the creatures you might find at the seaside.	Make a model of a sea creature out of a variety of different materials.	Make a model sandcastle.
Draw a map of the seaside. Can you include a key?	Make a seaside word search.	Draw a diagram, with labels, of the beach.	Make your own lighthouse.
Make a spot the difference game.	Write a story based at the beach.	Research about different beaches around the world. Are there any famous beaches?	Make your own model fish tank or rock pool?
Make maths problems with a beach theme.	Design and make a boat. Does it float?	Writing recipes for what you would take in your picnic?	Design and make a deck chair
Design and make your own sunglasses	Make, paint or draw seashells	Make your own model picnic.	Make your own binoculars. What would you see through them at the beach?
