

Eastlea Year 3 COVID update

6/2/22

Dear Parents / Carers,

As outlined in our Covid protocols, **I wanted to let you know that this morning we have been advised that a child within the Year 3 class has had a POSITIVE Lateral Flow Test for Covid.** The only 'symptom' identified was a bit of sickness and the test was taken by the family simply as a precaution.

National guidance states that:

- **close contacts of COVID-19 cases including children aged 5+ should take an LFD test every day for seven days and, if negative, can continue to attend school as normal.**
- **If symptoms emerge, however mild, then a PCR test should still be sought.**

We therefore ask you to be vigilant and alert to any symptoms of illness whatsoever and would **strongly recommend that your child takes a Lateral Flow test before they come to school each morning for the coming week.**

If there is a problem with accessing lateral flow tests then please alert Mrs Powells in the first instance and we will do what we can to help.

Thank you for your support and ongoing vigilance.

Miss E Beeston, Head Teacher
