

## Charging and remissions policy for EASTLEA Primary School

### Introduction

We want all pupils at Eastlea Primary School to have an equal opportunity to benefit from school activities, both on and off site, within and outside the curriculum, regardless of their family's financial means. This policy sets out our school approach to charging and remissions, and is informed by local authority guidance. In doing this our intention is to ensure transparency in setting charges and ensure all children are able to access all the provision on offer.

*This policy does not apply to charges made and determined by other organisations offering activities and services on the school premises.*

1	Admissions	No charge will be made for admission.
2	School meals	No charge will be made for pupils entitled to free school meals.  All pupils in Reception, Year 1 and Year 2 currently continue to qualify for a free meal under the Government's Universal Free Meal Scheme.
		We will charge all pupils not entitled to free school meals an amount recommended by the local authority and agreed as a partnership with other Primary schools in Cramlington. Currently £2.30 for Year 3 to Year 6 children and £2.00 for 30 hour Nursery pupils.
3	Activities for pupils that take place during school hours ('School hours' are those when school is actually in session and do not include the break in the middle of the school day)	No charge will be made for activities provided by school during school hours within school. <u>Out of school activities – see Voluntary Contributions section 10</u>

9	Remissions and concessions	We may choose to subsidise, in full or part, charges for certain activities and pupils, as determined by the Governing Body, advised by the Headteacher. The circumstances in which concessions are applied will be reviewed regularly.
10	Voluntary contributions	We may in some circumstances invite parents to make a voluntary contribution towards activities that are exempt from charging.
		Where we do ask for voluntary contributions, we will make it clear that children of parents who choose not to contribute will not be treated differently from those who do. No pupil will be excluded from the activity if their parents do not contribute.
		If an activity cannot go ahead without sufficient voluntary contributions, this will be explained to parents when the contribution is requested. If the activity has to be cancelled due to insufficient funds, all monies received will be returned to parents.
