

Eastlea Primary School KS2 SATs results 2017

This year was the second time that the new format of SATs were taken by Year 6 based on the revised national curriculum which is significantly more challenging than the previous curriculum.

Following a 'data dip' nationally in 2016 the results of pupils at Eastlea were once again back on track in terms of comparison to national averages as well as pupil progress. **We were delighted with the outcomes for our pupils which reflect the hard work they have shown and the dedication of the staff.**

Please see the table below to see how Eastlea performed including how we compared with other schools nationally. *A scaled score of 100 is the 'expected standard' for the end of the key stage – anything above this figure is above the expected standard – something the Eastlea pupils achieved in all subjects!

	Eastlea % meeting the expected standard	National % meeting the expected standard	Eastlea % achieving the high standard	National % achieving the high standard	*Eastlea Average scaled score	*National Average scaled score	Eastlea Progress score
