

Dear Parent/Carer,

Thank you for the very positive response to our 'spontaneous' England dress up day today. Everyone looked great in their red & white and even those isolating at home joined in – we saw some lovely photos of them too!

We are aware that many (most?) of the children will be watching the Euro 2020 football final on Sunday evening and that it will be a late night for them all. We have decided to offer an opportunity for a **later start on Monday 12th July** so that the children can watch the game, still get a good night sleep and can then come in and have a positive day in school (whatever the outcome of the match!)

There are two options:

- Children can come in **at the normal time in the morning (8.45/9am)** (if this better suits parents' working commitments – breakfast club will still be available from 7.30am for those who need it) OR
- Children can come in at **10.30am**

Please follow the usual arrival procedures and use the normal entrance gates to come into school.

Have a good weekend and stay safe!

Miss Beeston
